20. **Motion to be moved by Hon. M.A.R. Bean, notice of which was given on 30th May 2014:**
“That this Honourable House censures the Member for Southampton West Central, the Hon. Shawn Crockwell, JP, MP and the Member for Warwick North East, the Hon. Mark J. Pettingill, JP, MP:
(a)
Having had responsibility as Ministers, as Attorney General in the case of the Member from Warwick North East, and as the Minister of Tourism Development and Transport in the case of the Member for Southampton West Central, failed to respect the Ministerial Code of Conduct and failed to apprehend or acknowledge the seriousness and or gravity of their acts and omissions for breaching the Ministerial Code of Conduct, in two material particulars, namely; Code V by failing to give accurate and truthful information to Parliament in connection with a private flight to Washington D. C. on March 20th, 2013, the purpose of which said flight was to provide air transport to Washington DC in order to meet with potential hotel and casino developer, and Code XVII, accepting the following favours, namely free air transportation and hotel accommodation from an individual(s) who are in negotiations with or seeking to enter into contractual or proprietary or pecuniary relations with the Government of Bermuda.
(b)
Failed, as elected Members of the Legislature, to inform this Honourable House of the full nature and extent of their involvement in connection with the above trip at the earliest opportunity, in particular, failed to inform this Honourable House fully as to the involvement of a private citizen on both the flight on March 20th, 2013 and the subsequent meeting in Washington DC on March 21st, 2013 and, in so doing, contributed to the Honourable House being misled on the details of the said flight and said meeting on March 21st, 2013 in Washington DC.
(c)
Failing to appreciate, apprehend or grasp the level of public disquiet that had arisen as a result of their failures in (b) above.
(d)
Following the resignation of the Member for Devonshire South Central as Premier, further failing to apprehend public disquiet over the said events and their involvement, and in the case of the Member from Southampton West Central, failing to tender his resignation as Minister as a result of the above.
(e)
In the case of the Member of Warwick North East, for the role he played in advising the former Premier that the said flight and meeting in Washington would not constitute a breach of the Ministerial Code cited in (a) above, and for continuing to assert publicly, following the resignation of the Member of Devonshire South Central as Premier. – Mr. M. A Bean
