MINISTRY OF EDUCATION

OFFICE OF THE MINISTER

RESPONSE TO PARLIAMENTARY QUESTIONS

1. Will the Honourable Minister of Education please provide this Honourable House all evidence, including survey results, consultation findings, staff feedback reports, meeting summaries, or other documented information relied upon by the Ministry to support the conclusion that educators and school leaders have confidence in the current Student Code of Conduct and disciplinary framework and its consistent application across public schools?

Response:

An evaluation and stakeholder survey relating to the implementation of the Student Code of Conduct has been undertaken. The evaluation is currently under review. Accordingly, no final Ministry conclusion has been reached regarding the level of educator or school leader confidence in the current Student Code of Conduct, its disciplinary framework, or its consistent application across public schools.

Any findings, recommendations, or conclusions arising from the evaluation will be considered through the appropriate governance and communication processes and shared in accordance with established protocols once that review has been completed.

2. Will the Honourable Minister please provide, for each Government preschool, primary school, middle school, and senior school the number of students enrolled in each classroom on September 30, 2025 and on June 1, 2026?

Response: Please refer to the attached spreadsheets.
